

## Topic -Choose an activity from a different subject each day

### History

- Talk to your parent about the games they played when they were younger.
- Watch 'Magic Grandad' to learn about famous people from the past.

### Geography

- Draw a map of your local area
- Draw and label a map of the United Kingdom

### Science

- Observe a plant growing and draw pictures of it at different stages.
- Complete a science experiment from the home learning websites.
- Keep a weather journal and record the weather every day.
- Look around the house and record the materials things are made of (e.g. glass, wood, metal).

### Music

- Learn as many songs as you can that have something to do with plants.
- Listen to a song and clap a rhythm to it.

### Art/DT

- Draw and label a picture of your favourite animal.
- Build a model of your house.
- Use objects you find in your house to build a car.
- Paint a picture using water and a brush (outside obviously!)
- Make a boat that floats.
- Bake something nice for tea.
- Make a healthy fruit salad.
- Make some playdough.

### RE

- Learn about one of the Peace Mala religions and make a poster about it.
- Learn about Easter and Ramadan as they are celebrated in the UK.

### Other

- Tidy your bedroom
- Help to cook a meal
- Wash the windows
- Play a board game
